

Forestry Recovery Initiative: Phase 1

Program Overview

MTI has established the Forestry Recovery Initiative (FRI) to distribute \$10M in federal funding approved through the American Rescue Plan Act of 2021 (ARPA). This initiative provides grant funding to help Maine's Forestry businesses recover from the harm caused by the COVID-19 pandemic. The FRI program will become available in two phases. Phase 1 will provide pandemic relief for companies across the forestry industry in Maine. Phase 2 eligibility criteria and program details will be announced in the near future. Our immediate goal is to make Phase 1 awards available as soon as possible.

AM I ELIGIBLE for Phase 1 of the Forestry Recovery Initiative?

Your business may be considered for a FRI Phase 1 grant award if:

- Your business has a significant presence in Maine (25% of employees in Maine or headquarters (HQ) in Maine).
- You conduct business involving the harvest, transportation (>50% of revenue from forestry operations), or processing of forest products utilizing Maine timber
- Your business was negatively impacted by the COVID-19 pandemic
- You can demonstrate a clear plan to utilize FRI funds to directly address the negative economic impacts of the COVID-19 pandemic, suffered by your business here in Maine
- Your company has less than 250 full time employees
- You are able and willing to comply with bi-annual reporting required by State and Federal law
- Your business is registered with [Maine Secretary of State's corporate registry](#) – *NOTE: If you are a sole proprietor, you will need to provide documentation of a valid municipal business registry.*
- To receive any federal recovery funds, you must also register a DUNS identification number (for more info on DUNS numbers, see our [FAQ](#) or [click here](#))

WHAT CAN I USE THE PHASE 1 FORESTRY RECOVERY INITIATIVE FUNDS FOR?

Funds must be used to implement your plan and directly address negative impacts of the pandemic.

Suggested expenses may include but are not limited to:

- Payroll costs and expenses
- Rent or mortgage payments for business facilities (unless otherwise waived by lessor/lender)
- Utilities payments
- Purchase of personal protective equipment (PPE) required by the business
- Business-related equipment purchases
- Investments to strengthen your business’ ability to mitigate pandemic-related market disruptions
- Expenses incurred to replenish inventory or other necessary re-opening expenses and other necessary operating expenses.

Examples of unallowable expenses include (list is not all-inclusive):

- Depreciation expense
- Entertainment
- Lobbying
- Goods and Services for Personal Use
- Fines, Penalties, Damages and other Settlements

These funds must be spent on operations that are strictly within Maine; however, Maine-based businesses doing work in neighboring states is allowable. These grant funds are subject to audit and are generally considered to be reportable income, and should be included with reportable income at tax time.

WHAT HAPPENS AFTER I APPLY?

After the application deadline, your application will be evaluated against State & Federal funding guidelines to assess eligibility, and award amounts will be based upon: (1) the total number of FRI applicants, (2) the assessed severity of negative economic impacts caused by the pandemic, and (3) the quality of your proposed plan to address the negative economic impacts caused by the pandemic.

Below is an estimated range of award sizes, based on the number of Maine-based full-time employees:

- Fewer than 10 Maine-based FTE: estimated range of award size is \$10K - \$40K
- 10 – 50 Maine-based FTE: estimated range of award size is \$25K - \$100K
- 50 – 250 Maine-based FTE: estimated range of \$100K - \$250K (paid out in multiple installments)

PLEASE NOTE: Award size is subject to change based on the number of valid applications received and the severity of negative economic impacts caused by the pandemic

MTI plans to make FRI award announcements by March 1, 2022.

If you receive a FRI award, MTI will work with you to execute an award contract that outlines conditions of funding, including federal & state reporting requirements, which require you to report back to MTI on your progress every six (6) months through 2027. The reporting will be completed via online questionnaires.
