

MTI FORESTRY RECOVERY INITIATIVE: PHASE 2

APPLICATION DEADLINE: TUESDAY, OCTOBER 18, 2022

APPLICATION INSTRUCTIONS

Step 1: Complete all seven (7) sections on the following pages of this Word document. You may add your responses on the following pages in this Word document – or you may compose your responses in a separate document. Once completed, save your final application document and compile the required documents identified below in **Step 2**, to be uploaded in our Online Application Portal in **Step 3**.

Step 2: You will need electronic versions of the following documents for your application package:

- Signed and dated W-9 Form
- Income Statement (or Profit and Loss Statement) for 2020, 2021, & YTD-2022
- Current Balance Sheet
- Unique Entity ID (UEI) number from www.SAM.gov (identifier required to access federal funds)
- Signed and dated agreement to comply with federal and state funding requirements

Step 3: Create your login credentials and complete your online application at the Forestry Online Application Portal using this link: https://www.GrantRequest.com/SID_2050?SA=SNA&FID=35168
You will need an active email address to create your username and password.

When you login to the Online Application Portal, you will be asked to enter basic information about your business and your funding request into the online forms. You will upload your finalized application document prepared in Step 1, along with the financial documents identified in Step 2.

You will need at least 30 minutes to complete all required sections of the online application portal. You can save an incomplete online application form and return to complete later; however, *you must return to complete your online application submission by the application deadline date – incomplete applications will not be considered for funding.*

MTI recommends completing the online application in one sitting, after you have compiled all required items noted above in Step 1 and Step 2.

You will also be asked to electronically acknowledge MTI's Disclosure and Confidentiality Statement in the Online Application Portal – for your reference, that statement is also provided on page 8 of this document.

Application Notification:

You will receive an auto-generated email notification confirming that your online application package has been submitted. MTI staff will be in contact with you via email if any further information is required. MTI plans to announce the awards for the Forestry Recovery Initiative Phase 2 by November 30, 2022.

You can cut & paste the following link to access your MTI account and view saved & submitted applications:
www.GrantRequest.com/SID_2050?SA=AM

Section 1

Funding Request Summary

How much MTI funding are you requesting?

Your answer....

How much additional funding are you committing to your proposed project budget?

Your answer....

What are the source(s) of your matching funds?

Your answer....

Will you use these funds to expand existing operations or establish new facilities in Maine? If yes, please indicate location(s) and describe...

Your answer....

Section 2

Business Structure and Financial Statements

(If your business utilizes multiple corporate entities, please apply these questions to the parent company level)

Where is your business currently headquartered? Do you have multiple locations? In-state and/or out-of-state?

Your answer....

Who owns your business? List all owners and ownership percentages *(provide a cap table, if preferred)*

Your answer....

Does your business carry any debt? If yes, list all existing debt obligations and include lender name, current balance, monthly payment, and loan collateral *(you may provide a separate debt schedule, if preferred)*

Your answer....

Provide a brief summary of your annual Profit and Loss projections for 2022 and 2023?

Your answer....

Section 3: Connection to Mission and Impact Goals

Provide current and projected economic output data in the table below.

Impact Goal Area	As of Date of Application	Projections for 2025 (post-award completion)
Number of full-time (FT) employees in Maine		
Average wage of FT employees in Maine		
Location(s) of FT jobs by county (if multiple counties, indicate # for each county)		
Number of part-time (PT) employees in Maine		
Average wage of PT employees in Maine		
Location(s) of PT jobs by county (if multiple counties, indicate # for each county)		
Annual employment compensation in Maine (total payroll cost including wages & salary, all benefits and payroll taxes)		
Annual gross revenues attributed to Maine operations		

Proposals should include detailed and specific information about, and a quantification of the value of, the expected in-state economic benefits, such as capital investments to improve long-term viability and productivity of facilities, permanent direct jobs, payments to municipalities, in-state purchases of goods and services and construction-related jobs and purchases. Proposals should include a description of the types and quantification methodologies used to measure in-state benefits.

Recognizing that not all economic and community impact can be captured in the data above, tell us your indirect economic impact story. *For example, have you or do you plan to build a Maine-based supply chain? If so, how does that impact Maine’s forest economy? Do you partner with others in your community or industry? Does your company support Maine’s forest economy in other ways?*

Your answer....

Section 4: Team and Oversight

Describe your leadership team and corporate resources – be sure to address the following:

- Your company's capacity to execute your proposed project efforts
- Depth of relevant experience, expertise, and financial acumen
- How will you mitigate current skill gaps/weaknesses? Are additional hire(s) required?
- How do you plan to attract and retain the talent needed to fill your projected hiring plans?
- Are proposed partnerships / commitments formalized?
- What practices does your organization utilize to promote Diversity, Equity, Inclusion, and Belonging?
- Do you have a formal Board of Directors or other forms of governance/oversight?

Your answer....

Section 5: Value Proposition, Market Need, and Maine Timber

Describe your value proposition – be sure to address the following:

- What is your proposed product / solution?
- What problem / need does your product address?
- Who are your target customers?

Describe the market need / demand for your product – be sure to address the following:

- Quantify the demand for your product / solution
- What are the existing alternatives / competitors to your product / solution?
- How is your solution innovative / different from existing alternatives?
- How will you measure the impact of your proposed service / solution?

Describe how does your product/solution address global market shifts in supply and demand caused by the COVID-19 pandemic?

Describe how your plans will impact demand for Maine timber – be sure to address the following:

- Quantify any new/additional consumption of Maine timber required
- Provide a timeline for ramping up this proposed consumption
- Detail direct engagement with local loggers to supply this new demand

Your responses should be clear and concise, and include evidence to support your claims.

Your answer....

Section 6: Technical Plan

Describe your technology – be sure to address the following:

- Provide a complete description of your technology and technical approach
- Identify your current stage of development and plans for development moving forward
- Identify how you will manage Intellectual Property opportunities and challenges.

Describe your proposed project – be sure to address the following:

- Provide a timeline for completion of your proposed project efforts.
- Identify major equipment purchases, other capital expenses, and operating expenses that will be required over the estimated timeline of your plan.
- Identify specific project goals upon which you will measure success of your plan, including summary financials projected through 2025.
- Provide a Gantt chart or visual roadmap of the path forward for the plan articulated above.

Your responses should include clear and specific plans, as well as evidence to support your claims.

Your answer....

If applicable, please list any relevant IP using the following form: [Intellectual Property Form](#)

Section 7

Creating Quality Jobs in Maine

To most effectively address the negative economic impacts of the COVID-19 Pandemic, MTI's Forestry Recovery Initiative (FRI-2) is committed to helping businesses create and retain quality jobs for Mainers. Learn more about [MTI's commitment to creating quality jobs here](#)

Your answer (yes/no)... provide further comments if necessary to explain...

Does the company provide training opportunities on site or provide tuition reimbursement for offsite training?

Your answer (yes/no)... provide further comments if necessary to explain...

Do you offer any other benefit or workplace programs that contribute to employee satisfaction and retention?

Your answer (yes/no)... provide further comments if necessary to explain...

Disclosure and Confidentiality Statement

(Acknowledgement in MTI's Online Application Portal)

MTI's obligations regarding the confidentiality of Applicant's Application and associated documents are controlled by 5 MRS section 15302-A which requires that certain information in MTI's possession must be available for public inspection after an application for financial assistance is received, including, but not limited to: names and addresses of Applicants, including principals; the amounts, types and general terms of financial assistance; general description of projects and businesses benefiting from the assistance; and the number of jobs projected in connection with a project.

Certain records at MTI are designated confidential by section 15302-A and will not be available to the public for inspection, including: records requested to be treated as confidential, which if disclosed, would constitute an invasion of an individual's privacy, such as: personal tax returns, financial statements, or assessments of creditworthiness or financial condition; records obtained by MTI in connection with any monitoring or servicing on an existing project, or any other records or information the release of which MTI has determined could cause a business competitive detriment.

If an Applicant desires that certain information remain confidential, the Applicant must clearly identify what information or documents it wishes to remain confidential. The Applicant must also explain, in writing, the basis for such a request. Where the Applicant asserts that the basis for the confidentiality request is that release of the information could cause a business or competitive disadvantage, or loss of a competitive advantage, the Applicant must provide MTI with sufficient information to independently determine the likelihood of such a detriment. Applicants may wish to consult their attorney or MTI staff as to the scope of public disclosure and confidentiality as it relates to MTI and Applicants.

MTI does not discriminate in the administration of any of its programs or in its employment practices on the basis of race, color, national origin, age, gender, religion, physical or mental disability, political affiliation, marital status or sexual orientation. MTI is an equal opportunity employer, provider and lender.

For full details, see [MTI's Disclosure and Confidentiality Statement](#). Please review the list of all Board members, Technology Board members and staff listed on the [MTI website](#).

If there are any MTI Board members, Technology Board members or staff from whom we should withhold your application, please note those individuals below for entry in your online application.

By signing this application, I certify that all information contained herein is complete and accurate to the best of my knowledge. I agree to accept responsibility for the conduct of the project, and I agree to provide all required progress reports, if an award is made.
